Importance: High

Dear Sir/Madam

Terratest (Pty) Ltd has been appointed by JG Afrika (Pty) Ltd on behalf of the South African National Roads Agency SOC Limited (SANRAL) to undertake the environmental studies required for the proposed construction of the Rocabar access roads (to the tradeport and future motor city) as part of the N2 Interchange Project in Kokstad within the Greater Kokstad Local Municipality, KwaZulu-Natal Province.

As part of the Public Participation Process, please find attached a formal notification of the Environmental Impact Assessment (EIA) and Water Use Application (WUA) processes that are being conducted for proposed project.

A Draft Basic Assessment Report will be circulated to all registered I&APs for a 30-day review and comment period. Thereafter, a Final Basic Assessment Report will be submitted to the KwaZulu-Natal Department of Economic Development, Tourism & Environmental Affairs (EDTEA) for a decision on Environmental Authorisation. Due to the Covid-19 restrictions and protocols, kindly please advise by way of return email, how you would like to receive a copy of the Draft Basic Assessment Report, i.e. in hardcopy or via link download.

Please do not hesitate to contact the undersigned for any queries.

Kind regards,

Lethabo Maebana
