Subject: Water Use Licence Application Procedure

Dear Colleen,

Please can you assist.

I've tried calling Zama Habede and emailing but I can't manage to get hold of her. Please can you kindly provide me with advice on the following:

My client needs to apply for a Water Use Licence for a dolerite quarry. With the Electronic Water Use Licence Authorisation Application System (eWULAA) being off-line and which has been off-line for approximately 3 weeks, please can you advise on the procedure to be adopted in order to lodge my client's application for a Water Use Licence.

Many thanks and kind regards,
Liz.
